Keynote

Shannon Bream

Anchor Fox News @ Night

Tuesday, October 4th, hear from Shannon Bream, anchor Fox News @ Night and author of two number one New York Times bestsellers, "The Women of The Bible Speak: The Wisdom of 16 Women and Their Lessons for Today", and her most recent book, "The Mothers and Daughters of the Bible Speak". Shannon is the chief legal correspondent for Fox News Channel. She has covered landmark cases at the Supreme Court, heated political campaigns and policy battles from the White House to Capitol Hill. **Shannon describes herself as a sinner saved by grace, a daughter of the King, and ever grateful for His mercies that are new every day.**

Through the Biblical stories in her books, Shannon explains the intimate connection between faith and family - and how God's unexpected agenda can redefine the way we think about family. Not all of these mothers and daughters in the Bible were paragons of virtue. Like us, they were human beings who faltered and struggled to do their best. While some heard God's voice, others chose their own paths. Through the lens of their imperfections, we can see how God used their stories to bring His divine plans. He's still doing the same work in our lives today.

Endless Love

I am in tears. I needed this exactly.
- Amy, viewer

But Lord, your endless love stretches from one eternity to the other, unbroken and unrelenting Your faithfulness ... passes from parents, to children, to grandchildren, and beyond. - Psalms 103:17 TPT

Dear Friend of God,

God is Endless Love. Three-time Telly Award-winning global television series, Parent Compass' purpose is to present God. Relationships with God due to Christ are made perfect, holy, and endless with love, peace, and joy for all eternity. God desires for us to share with others that He is real and tell about His endless love. I am grateful for people like you making it happen through the Parent Compass series. Together we partner to share God's truth of endless love to parents, children and families around the world.

On Tuesday, October 4th at the Gala, we will celebrate that Love! Would you consider sponsoring a table that will fund the production of Parent Compass Season 5? Thanks to a very generous donor, we work toward reaching a \$400,000 challenge grant. All table sponsorships and donations count toward this goal.

God has given an incredible platform to Parent Compass with a 1 billion reach through television broadcast networks to 170 countries of the world (twice over in English alone). Then, in other languages: Farsi (Iran, Afghanistan, Europe); Turkish (combined 150 million mostly Muslim reach); Spanish (North, Central, South America, parts of Africa and Europe); Russian (northern hemisphere); and Ukrainian.

The vision and #1 prayer of Parent Compass is life transformation and to prevent lifelong tragic choices. Many families are in great difficulty. They need a Savior. You can show them Christ by partnering with us. We pray you will join to send true stories of Christian families around the world available at a touch of a button in homes and on phones. Each individual or family strengthened in the faith can strengthen others as well as generations to come. Please prayerfully consider joining us in completing the funding for production of Season 5.

With you for hearts and households,

Natalie Jones
