Lifting Families

Thank U so much for giving me so me hope tonight. God bless all XXX I saw a (Parent Compass) prog tonight on suicide, it was very useful + gave me hope. God bless us all. - Yvonne (Ireland)

*"But he (The Lord) **lifted** the needy out of their **affliction** and increased their **families**." Psalm 107:41*

Dear Friend of God,

You know the sorrow. You know the heartache. You see it all around you. You hear it on the media. The state of the family is in crisis. And the state of the heart is in crisis even more. It is the reason that Christ came to earth.

Could it be our purpose here on earth as well? To lift families off the edge?

That is the calling of Parent Compass. With Parent Compass, **you lift families off the edge** by bringing them God. Founded by prayer and founded and sustained by many of you reading these words right now, Parent Compass is a God-ordained and God-lead ministry presenting true stories told by real parents and families facing real struggles discovering real solutions in Jesus Christ.

Shockingly, God has presented us with something new, the opportunity to invest in a faith and family feature film, *Miracle on the Precipice*. In the film, a family lost in a vast wilderness, separated from each other, alone and facing relentless hardships, discover faith is their only hope.

Tuesday, September 24th at the Gala, we will celebrate what God and people like you have done. Would you consider sponsoring a table that will fund the production of Parent Compass Season 6 & 7?

God has given an incredible platform to Parent Compass with a one billion reach through television broadcast networks to 190 countries of the world (twice over in English alone). Then, in 5 other languages: Farsi (Iran, Afghanistan, Europe); Turkish (combined 150 million mostly Muslim reach); Spanish (North, Central, South America, parts of Africa and Europe); Russian (northern hemisphere); and Ukrainian.

In these times we are living in, it is essential for parents to know God. To reach parents with the lifesaving messages of God, please join us in funding production of Season 6 & 7 and a faith film!

With you in light of eternity,

Natalie Jones

I gain abundant blessings from Parent Compass because it resonates with many aspects of my life. I need to learn to reduce my dependency on my child and focus my thoughts more on God, because I have imprisoned myself in fear and wrong thoughts throughout my life. Today, I want to surrender these thoughts and things that have imprisoned me to the Lord and just fix my gaze on God. I ask Jesus Christ to help me in this way because I can't live well at all like this. Today, I ask the Holy Spirit to help me so that I can have an excellent life in the Lord. Parent Compass teaches me NOT to imprison myself with wrong things.
